

PLATE COMPACTOR

**DOOSAN**

# DOOSAN PLATE COMPACTOR

Pack down soil, gravel, asphalt and aggregate efficiently, easily and safely with this high-performance attachment.

## Safer Than Hand-Held Compactors

- No need for a crew to work inside the trench

## Standard Flow Control Valve

- Standard on all models
- Prevents over speeding which leads to poor compaction and reduces bearing life

## Direct Drive Heavy-Duty Motor

- Provides ample power, maximum durability and easy maintenance

## Four Outboard Shock Mounts

- Distribute vibration evenly
- Improve compaction efficiency
- Extend component life

## Flat Top Mount Design

- Allows the same plate compactor to be mounted to different carriers
